REPAIR AND BONDING

Applicant acknowledges that Applicant shall repair the aforementioned Iron County
Right-of-way to its condition prior to the encroachment at Applicant's own cost. Applicant
agrees that Iron County may hold the bond posted herewith for a period of one (1) year after the
above-mentioned repair is completed. If the repair proves adequate for that one-year period, then
the bond will be refunded to Applicant in full. If Iron County is required to take action to remedy
any inadequacies in said repair, the cost of such remedial action shall be deducted from said
bond and the remainder, if any, shall be refunded to Applicant at the end of the one-year period.

PUBLIC CONVENIENCE, SAFETY AND INDEMNIFICATION

Construction shall be conducted in a manner that will minimize unnecessary obstructions
to traffic so as to assure the safety and convenience of the public and the protection of persons
and property of Iron County through proper maintenance of traffic. Applicant also agrees to
adhere to the safety provisions of all laws, rules, codes, and regulations applicable to the class of

work being performed. Applicant shall provide, erect, and maintain appropriate barriers, barricades, lights, signals, signs and other traffic control devices, necessary for the protection and safety of the public at all times.

Applicant is hereby provided notice that Applicant shall protect, indemnify and save harmless Iron County from and against all claims, demands, damages to property and/or person, and causes of action of every kind or character on account of injury arising because of, for, out of or in any way connected with the resulting excavation or performance of the encroachment application. (See Ordinance 105, Section 4, for a complete description of indemnification and insurance requirements.)

Applicant further acknowledges and agrees that applicant shall fully read and completely comply with Iron County Ordinance No. 105, within the boundaries Iron County.
