## Saturday, February 25th, 2012

8:00-9:00 Registration

### Group A

9:00-4:00 EMS Safety Class

This class helps promote a culture of EMS safety and to help reduce the number and intensity of injuries incurred by EMS practitioners in carrying out their work. The course aims to increase awareness and understanding of EMS safety standards and practices and develops their ability to effectively implement them. EMS Safety is the first national and most comprehensive education program of its kind that teaches techniques on how to best achieve safety on the job.

### GROUP B

9:00-11:00 Daune Thompson, **B.A. Life Coach/Training**

11:00-11:15 **Break**
